

Pre-Departure/Smooth Arrival Orientation – September 2023

As we have been doing with all of our intakes, we will be hosting Zoom orientations for agent partners, parents and high school students planning on coming to Delta in September to help them understand and feel comfortable with the processes around travel and arrival and getting their stay in Delta off to a great start. Participation in these meetings is very important as it is vital that students understand what to expect upon arrival and what is expected of them upon arrival. They are a wonderful way as well to help to get to know your support team here in Delta as well.

All sessions will be in English as well as the language of the Target Audience. **If you don't see your regional or language group here, or if you are comfortable in another language, please feel free to join another group.**
