Canadian teaching style is known for its –

- Creativity
- Flexibility
- Personalization
- Inclusivity

Therefore, teachers will be planning lessons based on the interests and learning needs of the students in their class. Daily activities will include reading, writing, speaking, vocabulary development and listening tasks in English and may include things like –

- Individual tasks
- Group work
- Class discussion
- Critical and creative thinking
- Walking field trips
- Guest speakers
- Exposure to Canadian Culture
- Collaborative activities
- Social skill development
- Public speaking
- Learning games

Although students will be assigned a teacher, the teachers will also work collaboratively and sometimes may bring the whole group together for activities or divide the students into different groups. Students will find their days active, engaging and worthwhile!

#### Week #3
