

# Urgent Care Centres and Clinics

Below is a list of Urgent Care Centres and Clinics that international students have previously visited. This list may change overtime but it is a good starting point if your student is in need of medical care. The first step should be to consult with the virtual medical care option that they register for as part of their Study Insured Medical Insurance package. Student need to have that virtual appointment with a host parent present to not become overwhelmed or “hear” that they should go to the hospital. Visiting the ER should be the last resort and many times a virtual doctor’s recommendation of seeing a doctor in person is misunderstood as a suggestion to go to the hospital immediately. If they do need to go to the ER, please inform program staff immediately by calling your Homestay Coordinator first, or the Emergency Phone if it is after hours.

## Clinics

### Ace Medical Clinic

<https://www.acemedicalclinic.ca/> / Email: [moa@acemedicalclinics.ca](mailto:moa@acemedicalclinics.ca)

Clinic Phone: (604) 503-6410 / Address: #103-12030 80 Avenue, Surrey, BC, V3W 3M1
